EMPLOYER STATEMENT:

Brandon,

You do not know anything about technology. Do not even try again, please..... We have to finish this madness..... The last incident is for whatever reason you managed to delete the Sent folder from the iOS Apple mail. How is that even possible????? You should quit your job and look for a tester position at Apple, Google or Microsoft. You know what... better you do not try that either. Please..... just give up.....

I HAVE READ THIS "WARNING LETTER" AND I UNDERSTAND IF I HAVE RECIEVED A COPY OF THE SAME
